COPYRIGHT FORM

Authors name: _____
Authors address: _____

This manuscript will be considered for publication with the understanding you have presented it on an exclusive basis. You will be informed of a publication decision as soon as possible.

COPYRIGHT GRANT

The undersigned, with the agreement of all authors, hereby grants, to the degree that there is copyright to be granted, full copyright interest in the manuscript referred to above, including the published rendition in any format (subsequently called the "work"), to *Contact In Context* subject to the following (If the manuscript is not accepted by *Contact In Context* or withdrawn prior to acceptance by *Contact In Context*, this grant will be null and void.):

1. The undersigned author and all coauthors retain the right to revise, adapt, prepare derivative works, present orally, or distribute or transmit their own manuscript, as long as copyright credit is given to the source and *Contact In Context*, and is consistent with any prior contractual agreement between the undersigned and/or coauthors and their employer(s). Authors/employers may post on the Web the title of the paper, abstract, and any text, tables, and figures of their own papers on their own Web sites, and include these items in their own scholarly, research papers.
2. When a work is prepared as a "work made for hire" for an employer, the employer(s) of the author(s) maintain(s) the right to revise, adapt, create derivative works, publish, reprint, reproduce, and distribute the work, and to transmit it on a network for use by its employees, and additional rights under 1, provided that all such use is for the promotion of its business enterprise and does not imply endorsement by *Contact In Context*.
3. If *Contact In Context* is approached by third parties for permission to use, reprint, or republish articles (except for classroom use, library reserve, or to reprint in a collective work) the undersigned author's or employer's permission will also be necessary.
4. No proprietary right other than copyright is asserted by *Contact In Context*.
5. For works prepared under U.S. Government contract or by employees of a foreign government or its instrumentalities, *Contact In Context* recognizes that government's prior nonexclusive, royalty-free license to publish, translate, reproduce, use, or dispose of the published form of the work, or allow others to do so for noncommercial government purposes.
